

# NORTHWEST WINE REPORT

## WINE SUBMISSION FORM

*Northwest Wine Report* reviews wines from Washington, Oregon, Idaho, and British Columbia. Wines from any other regions may or may not be sampled at the editor's discretion. There is no submission fee. All wines from the Pacific Northwest will be sampled, reviewed, and have scores published. All wines are sampled blind in small, varietal sets. Read more about how that is done at [nwwinereport.com](http://nwwinereport.com) under "Rating System, How I sample wines." Please send two bottles of each wine submitted regardless of closure type in case there was an issue with the first bottle or a second sampling is desired. See additional information and answers to Frequently Asked Questions at [www.northwestwinereport.com](http://www.northwestwinereport.com) under "Submissions." Submission forms must be filled out to send in wines and can be sent either as a hard copy with the wines or electronically to me at [northwestwinereport@gmail.com](mailto:northwestwinereport@gmail.com).
